

Global Bites “Recipes”

CATEGORIES: Click on a category to find recipes list, then click on the recipe you want to look at.

- **Crafts and making things**
- **Quizzes, maps and photos**
- **Artefacts and displays**
- **Games, songs and activities**
- **Giving a voice**

We've used codes to help you find the bite you need:

FT: fair trade, air miles, labour exploitation

HR: human rights, children's rights

Env: environment

Pov: poverty, millennium development goals

Cult: culture and race, immigration, diaspora communities

Ster: stereotypes

Country: focus can be on any specific country

All: bites which can be used to tackle any issue

In each section you'll also find a link to tips for that category – click on “Find Tips” for that section and you'll get to the relevant page.

Crafts and making things:

Rag Rug (Zambia): *FT; HR; Pov* Made in most countries, and by our grandmas! Very easy. Individuals or pairs.

Adinkra printing (Ghana): *Cult; country.* Borrow GLADE's “Talking Cloth” collection.

Worry Dolls (Guatemala): *HR, Pov, country;* **Papel Picado (Mexico):** *cult, ster, country;* and **God's Eyes (Central America):** *pov, cult, country* GLADE's Mexico collection includes exciting artefacts which bring these crafts to life, plus background material and instructions for many more crafts too, Good as a circus of activities.

Make a football – and use it! *FT, HR, pov,* Borrow GLADE's football “Global bite” resource. Very easy, quick, and effective

Make your own world: *all.* Lots of ways of making “worlds” from colouring a simple circle to a complex willow mobile.

Tip Tap for hand washing: *HR, env, pov, cult, ster.* For washing hands before eating at fêtes and coffee mornings. A challenge to make!

See also our “Tips” section for tips on crafts and making things.

Quizzes, Maps and photos

Coffee Quiz: *FT, HR, env, pov.* Coffee is just an example – we give you tips on creating a quiz which inspires discussion.

Whole World Cake: *FT, HR, env, pov.* GLADE has a wealth of Fair Trade resources.

Where on earth . . . ? *All.* Lots of variations on this easy map "bite". Very quick – conference breaks, youth club settings.

Using Photos *All.* GLADE can help you with photo packs and ideas for using them effectively.

See also our "Tips" section for tips on quizzes, maps and photos.

Artefacts and Displays

DIY Exhibition: *All.* Making people really think about artefacts.

Cookers around the world: *HR, env, pov, cult, ster.* Use of wood and charcoal, and the health implications of smoke, are global issues.

Action Display: *All.* An activity with a display makes people think.

See also our "Tips" section for tips on artefacts and displays

Games, songs and activities

Water Calculator and **Water Game:** *HR, env, pov, cult.* Ideal activities for out of doors – available in GLADE's water activity collection. Use alongside the tip tap.

Activities for very young children: *All.* Storybooks are available from the GLADE collection; colouring in pages; make your own secret book.

Storytelling: *All.* Improvised using the listeners' ideas, or use one of GLADE's many story books.

"This is the way we . . .": *Specific country.* Use with GLADE's starter boxes; children look at similarity and difference in everyday tasks.

Mancala and other board games: *HR, pov, cult, specific countries.* GLADE's aware collection includes 8 sets – it's a great game played all over the world.

Giving a voice

On the Line: *All.* A great way to inspire energetic discussion. We help you choose statements to use.
